Attn:
City of Las Vegas City Council Members
City of Las Vegas Planning Commissioners

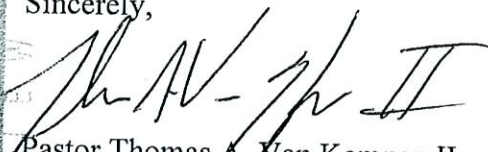

This letter is to serve as formal notification of request for planned improvements to 3900 E. Bonanza Rd of a 32,000 sq ft sanctuary.

Justification;

1. Mountain View Assembly is continuing to see weekly increases in attendance at all church services. The result of this growth has put us in the position of needing a larger worship facility to continue to meet the needs of the east Las Vegas community.
2. The improvement will continue the beautification of Bonanza Rd and showcase the overall vitality of the area.

Mountain View Assembly is committed to meeting the needs of our community, congregation, parents, students and faculty through the successful planning and development of the property located at 3900 E. Bonanza. We intend to work very closely with City personnel to assure that all projects are designed, constructed and maintained in manner that is truly a benefit to all those which call Las Vegas home.

Sincerely,

Pastor Thomas A. Van Kempen II
Mountain View Assembly
